Food Safety and Risk Management Solutions
We are a consulting group specializing in solutions for food safety, risk management, operational efficiency, compliance management and brand protection.

**Diversey Consulting difference:**

- **Depth and breadth of expertise** – solutions in food safety, health and safety, and food waste management
- **Global reach** with local specialist coverage and expertise
- **Advanced technologies** for auditing, training, temperature monitoring, record keeping and customer retention
- **Years of expertise** in food retail, food service, hospitality and food manufacturing

Diversey Consulting helps you to tackle everyday challenges of protecting your customers and managing risk within your business while complying with the complex global environment in which your business operates.
How can we help your organization?

- Building your infrastructure - regulatory advice and compliance checks, document control and implementation of basic good practices, HACCP and food safety management systems – printed or digital
- Training for you and your supply chain partners – mobile, classroom and on the job training utilizing latest technologies
- Auditing programs with 24/7 access to data worldwide to help you monitor your business
- Laboratory analysis - sampling program analysis and reporting to help preventing foodborne illnesses
- Occupational health and safety, crisis management, food waste reduction programs, benchmarking and other customized consulting projects

We work in a wide spectrum of industries, covering food supply from farm to fork.

- Ensuring compliance
- Reducing risk
- Increasing food quality through global scheme implementation
- Preventing contamination and yield loss
- Ensuring food safety through your distribution chain
- Ensuring compliance with international and local standards
- Maximising ROI through reducing food waste
- Minimizing risk through temperature monitoring
- Offering traceability solutions
- Ensuring compliance and reducing risk in your operation
- Improving guest experience
- Driving customer satisfaction
