

# SmartDose™

Concentrate for a brighter future

# A simpler, safer and smarter sustainable solution

SmartDose is a simple, maintenance free, portable dosing system without the need for any equipment installation. The patented 'smart' pump and bottle design delivers an accurate dose of concentrated product simply, safely and swiftly. SmartDose allows for 2 different shot sizes, making it suitable for bottle, bucket, machine and sink filling.

The simple range of concentrated, highly effective products meet almost all daily cleaning and hygiene needs effectively, efficiently and reliably. Perfection in dosing.

## Key features of SmartDose

1. Simple icons make system easy to use.
2. Drip-resistant spout prevents contact with concentrated liquid.
3. Portable system without need for water hook-up, installation or maintenance.
4. Fully recyclable eco-friendly bottle delivers 99.9% concentrate evacuation.
5. SmartDose pump automatically dispenses the precise dosage.
6. Ergonomic handle improves comfort and control.
7. Sealed head.
