*All you need...
products, tools and
training for spotless
food service
hygiene.*

Online training app

The Diversey Express™ training app teaches your current and new employees how to use the right products and methods to achieve the best results for each of their main cleaning tasks. It is available when and where you need it, saving you time and money.

Your facility is cleaned consistently and sanitized properly for the health and well-being of your guests and employees.

Stay focused on creating great food that enriches the lives of others.

Maximize food safety

Diversey high-performance cleaning solutions, paired with our unique online training app, improve food safety compliance.

- Higher guest safety
- Greater employee satisfaction
- Enhanced brand protection

Save time

Our training app instructs your employees how to quickly and efficiently clean and sanitize with our single-use packets, specialty cleaners and tools.

- Easy and efficient cleaning
- Minimal employee training
- Less cleaning preparation time

Save money

Single-use packets contain just the right amount of concentrated cleaner. Get the right dose every time.

- Up to 30% cost reduction
- Best use of limited storage space
- Minimal up-front investment

Diversey has been, and always will be, a pioneer and facilitator for life. We constantly deliver revolutionary cleaning and hygiene technologies that provide total confidence to our customers across all of our global sectors. Diversey is headquartered in Fort Mill, SC, USA.
