

Diversey

A complete line-up
of professional
cleaning solutions

Quick Service Restaurants and Fast Casual Diners

Everything you need... from a name you can trust

Diversey is the only total cleaning solutions provider with a complete line-up of professional, cost-effective cleaning products, tools, machines, services and consulting for facilities of any size.

Food service providers around the world rely on Diversey Care to provide integrated food safety and cleaning solutions that are simple, safe and sustainable.

Our products are easy to use and perform consistently to increase cleaning productivity, food safety, infection prevention, facility cleanliness and hygiene — all while reducing your operating costs, minimizing impact to the environment, and driving continuous improvement.

Cleaning Solutions

Our cleaning solutions are available in a variety of formats and pack sizes to support food service facilities of all sizes. From portion packs and ready-to-use sprays for small sites, to dosing and dispensing systems for large sites, our solutions ensure your entire facility is clean and hygienic.

- Food preparation areas
- Customer service areas
- Restrooms
- Floors

- *Up to 30% savings with accurate dosing*
- *Up to 99% less plastic, cardboard and CO² emissions*
