SmartDose™ System

Most effective cleaning solutions just got
Simpler, Safer, Smarter

The SmartDose™ bottle empowers you to easily and accurately dose concentrated cleaning products each time & every time. This innovative and sustainable solution delivers better cost control than any other dosing system.

Simpler

The portable SmartDose™ bottle goes wherever you go. Simply select the appropriate dosing icon, pull up the pump once, then push the knob down to dispense the accurate amount of concentrated cleaner. It's that easy!

- ▶ Minimal training needed
- ▶ Easy to understand icons
- ▶ No water hook-up required
- ▶ Maintenance-free system

Control knob with
easy-to-understand icons.

It's so simple.

1 Turn the control knob to select the appropriate icon.

2 Pull up on control knob one time to prime the pump.

3 Push the knob down fully to pump a precise dose of concentrate needed for the correct dilution when mixed with water.

4 Bring back the knob to the original neutral position

Precise dosing + Mobility = SmartDose™

Safer

The SmartDose™ bottle eliminates unwanted contact with concentrated cleaning products with an anti-drip spout and Spill-Tite™ sonically-welded head. The ergonomic design enhances comfort and ease-of-use.

- ▶ Minimal user exposure to chemicals
- ▶ No dangerous refilling
- ▶ Drip and spill resistant package

Patented Spill-Tite™ sonically-welded head eliminates leaking of concentrate.

Smarter

The SmartDose™ bottle automatically calculates precise doses of 1 concentrate, allowing accurate dilution and enhancing cleaning performance.

- ▶ Calculates correct dosage for bottle, bucket, autoscrubber and sink applications
- ▶ Eliminates guesswork or the use of complicated calculations
- ▶ Prevents over dosing
- ▶ Helps control costs

Items to be cleaned	Product Name	Product Description	Tools Required
Washroom Wall / Doors / Sinks Toilets / Floors 	 TASKI R1 Super SmartDose™ Hygienic bathroom cleaner super concentrate	DILUTION:  1 Spray bottle Push : 3 Spray bottles ready-to-use solution	 1 Bucket Push = 15L Bucket ready-to-use solution

The SmartDose™ System features proprietary patent-pending technology

SmartDose™ products come in a convenient 2.9 litre bottle

Ergonomic Handle

Comfortable for all hands

Easy-to-Use System with Simple Icons

No measuring needed, enhance productivity, minimal training required

Shaped Leak- and Drip-Resistant Spout

Keeps concentrated product away from surfaces & users

Spill-Tite™ Sonically Welded Head

Captive system eliminates tampering & dangerous refilling

SmartDose™ Pump

Automatically calculates precise doses of concentrate to ensure consistent dilution rates & cost control. Eliminates guesswork and partial dosing

Environmentally Sustainable

Highly concentrated products reduce plastic use and transportation. Bottle is made with 25% post consumer content and is 100% recyclable

Complete Bottle Evacuation

Bottle and pump design ensures 99.9% concentrate evacuation

No Water Hook-up Needed

Portable, maintenance and service-free, one-time use system. Eliminates need for backflow prevention

Diversey's purpose is to protect and care for people every day. Diversey has been, and always will be, a pioneer and facilitator for life. We constantly deliver revolutionary cleaning and hygiene technologies that provide total confidence to our customers across all of our global sectors, including: cleaning products, systems and services that efficiently integrate chemicals, machines and sustainability programs. This makes us unique among leading global hygiene and cleaning companies. Everything we do has our customers' needs at its heart and is based on the belief that cleaning and hygiene are life essentials. With over 95 years of expertise, we safeguard our customers' businesses, contributing to productivity improvements, lower total operating costs and brand protection. Diversey is headquartered in Fort Mill, SC, USA.
