

Room Care R1-plus

Daily toilet cleaner - concentrate

Description

Daily toilet bowl and urinal cleaner concentrate formulated for use with the Diversey Divermite dispenser.

Key properties

- Citric acid-based formulation
- Ideal viscosity
- Pleasant, fresh Room Care fragrance

Benefits

- Appropriate for daily use
- Effectively removes stains and deposits from toilet bowls and urinals
- Regular use hinders lime scale build-up
- Extended contact time on vertical/sloped surfaces for optimum cleaning efficiency
- Handy squeezable bottle with directional spout for fast and easy application
- Colour and alphanumeric codes to prevent application mistakes
- Leaves a pleasant fragrance

Directions for use

Use Room Care R1-plus at concentrations between 1-10% v/v depending on the type and degree of soiling and application requirement.

Remove the spout cap from the Divermite R1 bottle and fill with clean, fresh water to the level mark indicated on the bottle (300ml). Push the Divermite R1 dispenser button twice to add product. Securely screw-on the spout cap (spout must be in the closed position) and shake gently to mix.

Application

Flush the toilet bowl or urinal. Gently squeeze the Divermite R1 bottle to direct product under the rim, around the bowl and onto water/flush paths. Distribute with toilet brush. Allow at least 10 minutes contact time, use a brush or sponge pad to remove difficult stains, then flush to rinse.

Technical data

Appearance	Clear dark blue liquid
Relative density (20°C)	1.136
pH-value neat	1.0 - 1.5
pH-value in use	3.0 +/- 0.5 at 10% dilution

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet. For professional users/specialist only. Store in original closed containers away from extremes of temperature.

Product compatibility

Do not use on acid-sensitive surfaces, e.g. enamel, marble, grouting. Immediately remove any drops or splashes from acid-sensitive surfaces and rinse with water. Do not mix with bleach or other cleaning products.

Test material compatibility in a small, inconspicuous place before use. Do not use with other dilution systems or methods. Do not use undiluted.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirement of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.
