

Descaler

D5

Concentrated descaler for periodical use

Description

Suma Descaler D5 is an acidic cleaner to remove salt deposits equipment and kitchen utensils, dishwasher machine, cookware, steam bath, thermos of tea and coffee. The combination of inorganic acids and nonionic surfactants achieve effective descaling of all types of surfaces.

Benefits

- Eliminates the remains of salts, helping to protect the equipment and to improve the level of hygiene
- Its concentrated formula gives greater economy in use
- Removes oxide layers, restoring its natural shine surfaces
- In waters with high content of silica, the descaling process must be modified.

Directions for use

Use Suma Descaler at concentrations between 1-5% v/v depending on the type and degree of soiling and application.

For soaking application:

1. Prepare solution using cold water at 10-50ml/L (1-5%)
2. Fill the item or soak in solution until dissolved for the embedding
3. Scrub if necessary to remove stubborn deposits
4. Rinse thoroughly with clean water and allow to air dry

Spray application:

1. Apply solution to surface or equipment
2. Leave for at least 30 minutes and scrub with a brush
3. Rinse thoroughly with clean water and allow to air dry

Dishwashing machines:

1. Disconnect the detergent dispenser
2. Fill dishwasher with water
3. Add Suma Descaler to water to prepare a 5% solution (50ml/L)
4. Start the dishwasher for for 10-15 minutes
5. Drain and check
6. Repeat if necessary
7. Empty the machine and rinse thoroughly with clean water. Repeat this step 2 or 3 times.
8. Allow to dry leaving door open
9. Reconnect the detergent dispenser.

Descaler

D5

Concentrated descaler for periodical use

Technical data

Appearance:	Translucent liquid
pH (1%)	1.0 - 2.0
Relative density [20°C]	1.275 - 1.305
Acidity H ₃ PO ₄ %	43 - 47%

These values are the manufacturing standards and should not be used as specifications.

Safe handling and storage

This product is specially formulated for professional use. Apply safety standards listed on the label. Read before handling the product safety sheet.
