

Lemon Plus Foam

D16

Hand dishwashing liquid detergent

Description

Suma Lemon Plus Foam is concentrated manual washing up liquid containing a blend of anionic detergent and real lemon juice, which is tough on grease and kind on hands.

Use for all hand dishwashing including cutlery, cooking utensils, pots and pans and also suitable for general hard surface cleaning (kitchen equipment, work surface, paint work, tiles, glass, floors and walls etc.)

Features

- Contains real lemon juice
- Blend of powerful anionic surfactants. Cuts through the grease and tough on gravy
- Rinse easily without leaving smears or streaks
- High lathering
- Concentrated detergent economical in use
- Effective in both hard and soft water
- Neutral liquid is safe and kind on hands
- Environment friendly surfactants
- Pleasantly perfumed but will not taint the dishes

Directions for use

Use Suma Lemon Plus Foam at concentrations between 0.1-0.5% v/v depending on the type and degree of soiling and application requirement. Suma Lemon Plus Foam may be used in conjunction with Diversey tap proportioner.
