

## All purpose cleaner

### Description

Suma Multi D2 is a concentrated all purpose detergent for cleaning of hard surfaces in food premises, including floors, walls, doors, ceilings and general equipment.

### Key properties

Suma Multi D2 is a mild alkaline liquid detergent suitable for manual cleaning of all surfaces in the kitchen. It is very effective for removal of grease and dried-on food. The sequestrant in the formulation makes it suitable for all water conditions and does support cleaning performance.

### Benefits

- Highly concentrated formulation gives economy in use
- Cuts through grease and dried-on food soiling leaving sparkling clean surface
- Effective in all water conditions
- Multi purpose and suitable for use on most surfaces including aluminium and other soft metals

### Use instructions

For controlled dosing the product can be used via the Diversey QFM system.

Use Suma Multi D2 at concentrations between 0.5-3% v/v depending on the type and degree of soiling and application requirement.

### Spray cleaning

1. Spray surface with solution and clean with damp cloth
2. Rinse food contact surfaces with clean water and allow to air dry

### General cleaning method

1. Apply solution to surface or equipment with spray bottle, cloth or brush
2. Scrub to remove stubborn deposits
3. Rinse food contact surfaces with clean water and allow to air dry

### Floor cleaning

1. Apply solution with mop
2. Remove dirt with the mop
3. Rinse with clean water and allow to air dry

For heavily soiled items, a higher concentration may be required.

The Diversey logo features the brand name in a white serif font inside a dark blue, leaf-like shape with a white outline. A small 'TM' trademark symbol is positioned at the top right of the leaf shape.

Diversey™

The suma logo consists of the word 'suma' in a lowercase, rounded sans-serif font, enclosed within a white circular border that has a slight gap at the bottom.
