

Pine Disinfectant

D47

Liquid Disinfectant and Deodoriser

Description

Suma Pine Disinfectant is a brown liquid incorporating a blend of bactericidal chlorinated phenols with typical "Pine Fresh" long lasting refreshing odour. An efficient emulsifying blend of ingredients ensures rapid emulsification of the product in the water for fast and effective deodorising and disinfection.

Key properties

- Fresh long lasting Pine Note Kill germs
- Deodorizes
- Clean
- Quick rinsing

Directions for use

Use Suma Pine Disinfectant D47 at concentrations up to 2.5% v/v for disinfection of drains, toilets and waste areas.

For Toilets: A few drops of Suma Pine Disinfectant should be poured into the bowl daily. Wash the toilet seat and top of the bowl with a solution of 25ml per litre of water.

Baths and Basins: After cleaning baths and basins finish off with a few drops of Suma Pine Disinfectant and rinse.

Waste area and dustbins: Wash out with solution of 25ml per litre of water to leave surface disinfected and fresh smelling.

For Sinks and drains: a few drops of Suma Pine Disinfectant added daily would deodorize and disinfect.
