

Diversey™

suma® Stat plus

D1 bac

## Highly concentrated hand dishwashing liquid with extra hygiene

### Description:

Suma Stat plus D1 bac is a highly concentrated hand dishwashing liquid for cleaning pots, pans, crockery, glass and all washable utensils.

### Key properties

Suma Stat plus D1 bac is a highly concentrated neutral liquid detergent suitable for manual cleaning of all kitchen utensils. The formulation is an optimal blend of anionic and nonionic surfactants in combination with a bactericide. The blend of anionic and nonionic is able to cut through grease and dried-on food and makes rinsing easy and streak free. The bactericidal ingredient in the product will reduce the risk of cross contamination via the applicator. For dosing accuracy Suma Stat plus D1 bac should be dosed via the Diversey Divermite Plus dispenser or DQFM

### Benefits

- Reduces waste, needs less storage capacity and gives excellent economy in use due to highly concentrated formulation
- Cuts through grease and dried-on food
- Streak-free, easy rinsing for a superior finish
- Stable lather means longer lasting efficiency of cleaning solution
- Convenient and controlled dosing through the Diversey Divermite or DQFM system saves money
- Contains bactericide to reduce the risk of cross contamination via applicator

### Directions for use

Use Suma Stat plus D1 bac at concentrations between 0.04-01% depending on the type and degree of soiling and application requirement. Suma Stat plus D1 bac is supplied in flexible 1.5 L plastic pouches designed to fit into the Diversey Divermite Plus dispenser or DQFM.

### Technical data

Appearance clear green viscous liquid

pH neat: 7

Relative density (20°C): 1.04

These figures are typical values and should not be interpreted as specifications.

### Safe handling and storage information

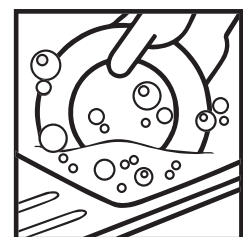

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet. Store in original container. Avoid extremes of temperature.

### Product compatibility

Under recommended conditions of use, Suma Stat plus D1 bac is suitable for use on all materials commonly encountered in the kitchen.
