## All purpose liquid cleaner

### Description

Suma Tiket D22 is an all-purpose liquid cleaner for cleaning walls, floors, paint work, tiles and all other impervious surfaces. It contains a blend of biodegradable anionic and non-ionic surface active agents, which is tough on organic soils. It is clear yellow fluorescent liquid, particularly odourless in use and non-tainting. Product permits rapid penetration, emulsification and dispersion of soil. Suma Tiket can be used on many of surfaces including metal and stainless steel, glazed tiles, rubber, plastic, enamel, porcelain, oil based and emulsion painted surfaces.

### Features

- Economical – value for money
- Blend of powerful anionic and non-ionic surfactants.
- Cuts through the wide variety of organic soils
- Concentrated alkaline liquid
- Environment friendly surfactants
