

# TASKI® Sani MouldOut

## Mould and mildew remover

### Description

Chlorinated cleaner to remove mould and mildew from cement and other grouting (black grouts).

### Key properties

- Chlorine and detergent based formulation
- Cleans and removes malodours at the same time

### Benefits

- Highly effective at removing fungus, bacteria, soap residues, body fat and other malodour creating sources
- Hygienically cleans grouting

### Use instructions

1. Spray onto affected areas and allow suitable contact time.
2. For stubborn stains agitate with brush or scourer, rinse thoroughly and buff to shine when dry.

### Dosage:

Ready to use, no dilution required.
