

Cleaner and deodoriser

Description

Highly perfumed cleaner for water-resistant hard surfaces.

Key properties

- pH neutral at in use dilution
- High amount of perfume for a long-lasting deodorising effect
- Unique, patented Odour Neutralizing Technology (O.N.T.)
- Fast acting, fast drying

Benefits

- Removes unpleasant odors and leaves a pleasant, strong and fresh perfume
- Suitable for all water-resistant hard surfaces e.g. natural and artificial stone, ceramic tile, synthetic surfaces, mirrors, porcelain and enamel
- Dries quickly without streaking

Directions for use

Use TASKI Sprint Flower at concentrations between 1-5% v/v depending on the type and degree of soiling and application.

General cleaning method

1. Apply solution to surface or equipment with spray bottle, cloth or brush
2. Scrub to remove stubborn deposits
3. Rinse thoroughly with clean water and allow to dry

Floor cleaning

1. Apply solution with mop
 2. Remove dirt with the mop
 3. Rinse with clean water and allow to air dry
- For heavily soiled items, a higher concentration may be required.

Proper dosage and temperature save costs and minimize environmental impacts.

Technical data

Appearance: Clear, blue liquid

Fresh fragrance

pH value (neat): ≈ 7

pH value (in use): ≈ 7

Relative density (20°C): $\approx 0.99 \text{ g/cm}^3$

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; sds.diversey.com. Store in original closed containers away from extremes of temperature. Only for professional users / specialists.

Product compatibility

Do not use on water-sensitive surfaces/materials (e.g. unsealed wood or cork), on epoxy resin or stone carpet. Do not spray in the air for deodorising. Keep container closed to prevent perfume diffusion. Test material compatibility on a small, inconspicuous place before use.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation, EC 648/2004.

Available pack sizes

TASKI Sprint Flower is available in 6x1L, 2x5L, 10L and 200L. Empty spray bottles and corresponding sprayers are also available. For manual dosing corresponding dispenser pumps are available.
