

IntelliCare™

Smarter Design. Sustainable Care.

Protect Every Moment

A complete hand care solution

The IntelliCare™ dispensing system is engineered to address all of your hand care needs with a versatile, modern and durable platform that is compatible with liquid/gel and foam products.

Game-changing innovation in dispenser technology:

- First hybrid dispenser for professional hand care available worldwide, with patented built-in technology that allows for touchless & manual activation, and provides low-content alerts.
- Robust and reliable ABS-plastic, scratch and UV-resistant
- Dose size switch and snap-in placard for ultimate versatility

Smart 1.3L packaging that let's you:

- Gain full product visibility at all times, with a patented bottle design that collapses from the back
- See the last product doses through a reservoir
- Reduce waste with a collapsible bottle that empties fully
- Easily replenish the bottle with an intuitive click mechanism

Professional hand care made easy with a compact range to cover most hand care applications. We achieve that with:

- All-rounders that perform across multiple application areas
- Liquid and foam options available
- Best in class efficacy, trusted and proven formulations
- Maximum user acceptance; fragrances with universal appeal
- Leading mildness and skin compatibility
- Dermatologically tested formulations
- Global colour coded products with multilingual indications

Peace of mind with support from the industry experts:

- State-of-the-art on-site support communication and signage
- Partnered with leading organizations to develop and implement campaigns to raise hand hygiene awareness and programs to enhance compliance for you and your staff
