Fragrance**

SURF[®] Professional Laundry Powder

Front & Top Loader 2x6kg

Directions for use:

TOP/FRONT Loading Washing Machine:

Normal Loads = 1 scoop. Large Loads/Hard Water = 1½ scoops.

Add powder into your top/front loading machine as directed above, add clothes, select wash cycle, then start your machine.

SOAKING: BUCKET: ½ scoop per 5 Litre MACHINE: 1 scoop – Fill machine as per normal load & pause cycle once full. Soak in highest water temperature recommended on clothes care label. Soak for at least 30 minutes or soak overnight for tough stains. Note: For blood stains only, soak in cold water.

DO'S: Use the recommended dosage, follow the clothes care label. Sort clothes according to colours/care labels, Wash non-colourfast clothes separately. Deal with stains promptly in warm water. Wash and dry colours inside out to keep them brighter.

DON'TS: Avoid overloading the machine. Don't add chlorine bleach. Don't soak non-colourfast items. Not suitable for silk, wool or other delicate fabrics.
