

Soft Care® Des E

Alcohol-based hand rub liquid

Description

Soft Care® Des E is an alcohol-based hand rub liquid for waterless skin sanitising.

Features

Soft Care® Des E is a hand sanitising alcohol rub that contains 71.5 grams ethanol for every 100 grams of product (or approx. 77%v/v ethanol). Ethanol is an effective sanitising agent effective against gram positive and gram negative bacteria. Soft Care® Des E is formulated with a humectant, an excellent skin care ingredient which helps to moisturise. Soft Care® Des E is ideal for use where frequent use of hand sanitising products is required and in areas where no water is available.

Soft Care® Des E is perfume-free, thus eliminating the risk of tainting foods making it suitable for application in the food processing area.

Benefits

- *Kills 99.999% of germs.
- Effective against gram positive and gram negative bacteria.
- Perfume free (suitable for use in food processing area).
- Contains humectant – to help moisturise the skin.
- Suitable for frequent use
