

ServiceNow 

Virtual support that gets you back to business in minutes

At Diversey, we are committed to providing professional service offerings that save you time. With our remote technical assistance **Diversey ServiceNow**, we innovate to offer you solutions that meet strict demands for efficacy and streamline your business.

Guided Support

Using Augmented Reality software or video chat capabilities, our experts can diagnose and solve issues remotely.

- Get fully operational in no time
- Personalised experience with an expert at your fingertips
- Become empowered and educated through a guided diagnosis, fix and retrospective

In-Person Expert

In some cases, in-person support is the best option.

Comprehensive diagnosis ahead of time ensures more accurate and immediate issue resolution.
